SERVACE

# The all-in-one platform for training providers.

ServAce is the operating system for residential apprenticeships and training programs.

We unify accommodation, scheduling, safeguarding, and compliance into one seamless platform - so employers and providers can focus on delivering exceptional learning experiences.

# Why ServAce?

Training providers face mounting challenges in delivering residential apprenticeships and training programs.

ServAce transforms this complexity into streamlined solutions.

## Cut administrative overload

Replace manual processes and fragmented systems with streamlined automation.

## Reduce program costs

Control rising accommodation, travel, and resource expenses with smarter logistics and exclusive rates.

## Simplify compliance

Safeguarding and audit requirements are embedded into every step.

## Elevate learner journeys

Learners stay connected through our bespoke app, ensuring schedules, updates, and support are always at hand.

# Our solutions.

## Apprenticeships Hub

Residential  
Training Management.

The Apprenticeships Hub manages every aspect of apprenticeship delivery - from travel and accommodation, to safeguarding and scheduling.

Built to support compliance and safeguarding, especially for younger learners, so employers and training providers can deliver safe, smooth, impactful learning experiences.

## Academy Hub

Block Accommodation Booking  
for Residential Training.

Purpose-built for field-based training programmes, the Academy Hub secures exclusive block accommodation rates and streamlines employee travel bookings through a bespoke, company-branded system.

## Travel + Accommodation Hub

Travel and Hotel Bookings.

When our clients need ad hoc, individual or small group travel and accommodation, the Accommodation Hub handles it all.

From hotel bookings to transport coordination, it's the go-to solution for quick, hassle-free travel bookings.

## Meetings + Events Hub

Venue Booking for Meetings,  
Conferences & Training.

Whether planning a standalone meeting, a company-wide conference, or a training event, the Meetings + Events Hub simplifies venue sourcing and booking.
